Doha, Qatar

Biography

Tamer has been in Qatar for over a decade, working as a paralegal officer. Prior to joining Al Tamimi & Company in 2012, He has gained extensive experience dealing with the different Governmental Authorities in Qatar. He has built successful relationships with a wide range of valuable contacts at the various Ministries in Qatar

Tamer is an Egyptian national advising primarily on Qatari Corporate and Commercial law. The primary focus of his work is in the area of corporate structuring and more specifically entails the following:

- Drafting the Articles of Association and Memorandum of Association of companies registering in Qatar;
- Carrying out the registration formalities of companies registering in Qatar and overseeing the registration process from start to finish; and
- Advising clients on registration issues in Qatar.

In addition, Tamer advises clients in relation to employment law issues in Qatar and reviews employment contracts from a Qatari law perspective for clients.
