## Biography

Ahmed is an experienced bi-lingual litigator. He is able to handle all legal procedures including preparing and reviewing commercial documents and written pleadings, as well as drafting and reviewing claim writs and memorandums.

In his work, he has acted as a representative for several Protection and Indemnity Clubs (P&I CLUB), and has been involved in a wide range of P&I related work such as cargo claims, personal injury claims, fixed object damage claims, collision liability claims, arresting vessels, pollution liability claims, assisting marine agent enquires in all legal obstacles occurring at the ports and advising on charter party issues.

Ahmed also has vast experience in all aviation aspects, in particular, the claim which relate to the passenger, such as, the cancelation and delay of the flight, loss of luggage and other cargo claims.

In addition, he has been involved in numerous, mediated and litigated disputes on behalf of global insurance companies, (re) insurers/underwriters and brokers, with regards to product liability, public liability, workers compensation, professional indemnity and health insurance requirements.

He covers all phases of litigation including trials and appeals before tribunals and first instance courts, preparing the courts documents including memoranda, evidence files, research and drafting of legal opinion in respect of Maritime, Insurance and Aviation industry.
